

Maui Health System Provider List

- I. **Providers Subject to the Financial Assistance Policy.** The MHS facilities that share the financial assistance policy include the Maui Medical Center, Kula Hospital and Lanai Community Hospital. In these cases, provider-patient encounters are subject to MHS's Revenue Cycle policies and processes, including application of the financial assistance Policy.
 - a. **Pacific Permanente Medical Group, Inc. (PPMG).** PPMG providers who are credentialed and privileged/authorized to provide services at a MHS facility for the emergency and medically necessary professional services they render.

- II. **Services Provided Under Contract or In Leased Portions of MHS Facilities.** Patients will receive a separate bill from physicians providing contracted professional services or services associated with the specific departments including:
 - a. Emergency Room services provided by Envision Physician Services (EmCare),
 - b. Laboratory services provided by Clinical Labs of Hawaii,
 - c. Anesthesiology services provided by The Anesthesia Medical Group, Inc.,
 - d. Electrocardiograms (EKG),
 - e. Electroencephalograms (EEG),
 - f. Cardiopulmonary,
 - g. Nuclear Medicine & Radiology services provided by Envision Physician Services (EmCare), and
 - h. Radio Therapy

III. Providers Not Subject to the Financial Assistance Policy. Any non-PPMG providers, who maintain privileges at MHS facilities, are requested to perform emergency & medically necessary professional services and bills patients directly. Providers who may deliver eligible services at the Maui Medical Center, Kula Hospital of Lanai Community Hospital and are not subject to the financial assistance policy
